**FILED**

**Nathan Ochsner, Clerk of Court**

**PLAINTIFF'S WRIT OF ERROR,**

**JUDICIAL NOTICE OF DEFAULT, AND**

**AFFIDAVIT IN SUPPORT**

COMES NOW, Plaintiff Rachael Griffin-EL, ex rel RACHAEL GRIFFIN, a living woman and natural Moorish American national, *in propria sui juris*, and hereby provides this Writ of Error, Judicial Notice of Default, and Affidavit in Support, with full reservation of rights pursuant to UCC 1-308, and states the following:

**1. Procedural Default**

Plaintiff filed her original complaint on May 5, 2025. Pursuant to Federal Rule of Civil Procedure 12(a)(1)(A)(i), Defendants were required to answer or otherwise respond no later than May 27, 2025. Defendants did not respond until June 25, 2025, more than four weeks after the prescribed deadline, thereby constituting a procedural default under the Federal Rules of Civil Procedure.

**2. Demand for Verification of Debt**

On December 17, 2024, and again on May 15, 2025, Plaintiff lawfully served a Notice of Dispute and Demand for Verification of Debt upon Defendant Jamie Dimon, demanding lawful evidence that JPMorgan Chase Bank, N.A., originated or held any valid debt instrument enforceable against Plaintiff.

**3. Failure to Verify Debt**

Plaintiff required verification pursuant to 12 U.S.C. § 95(a) and demanded lawful proof of debt origination in lawful tender, consistent with Article I, Section 10 of the U.S. Constitution. No verified response was provided, thereby constituting tacit admission, dishonor, and estoppel by silence.

**4. Unlawful Foreclosure and Trespass**

On or about June 3, 2025, an individual named Antony Halaris, acting on behalf of P.C.F. Properties in TX, LLC, issued a 3-day notice to vacate the Plaintiff's estate under claim of foreclosure. On June 12, 2025, a Substitute Trustee's Deed was filed in the county clerk's records without lawful jurisdiction or verified authority. These acts constitute trespass, unlawful seizure, and were conducted under color of law in violation of Plaintiff's estate rights.

**5. Fiduciary Misconduct**

Defendant Jamie Dimon, acting in a fiduciary capacity as CEO and trustee, knowingly enforced an unverified and unlawful debt claim, violating fiduciary duties and constituting trespass and breach of trust with regard to Plaintiff's estate and lawful standing.

#### **6. Commercial Liability and Holder in Due Course**

Plaintiff asserts that Jamie Dimon is operating as a **Holder in Due Course** of the alleged instrument under the **Uniform Commercial Code (UCC)** and is therefore **commercially liable** for all claims, injuries, and damages arising from the unlawful enforcement of unverified financial obligations.

#### **7. Statutory Discharge of Obligation**

Pursuant to **12 U.S.C. § 95a(2)**, all alleged debts and obligations were discharged via lawful notice and conveyance. Any continued attempts to collect, foreclose, or otherwise enforce such claims constitute bad faith, dishonor, and unlawful activity in violation of statutory and commercial law.

#### **Statutory Authority:**

*"Every obligation... shall be discharged upon payment, dollar for dollar, in any coin or currency which at the time of payment is legal tender..."*  
(Statutes at Large, Vol. XLVIII, pp. 112-113, June 5-6, 1933)

Additionally, under Article I, Section 10 of the U.S. Constitution, states may not make anything but gold and silver coinlegal tender.

#### **8. Violations of Banking Law**

Defendants have violated **12 U.S.C. § 73**, which governs the conduct of banking institutions, fiduciaries, and officers. This includes the handling of fiduciary responsibilities, account verifications, and conduct of foreclosure proceedings.

#### **9. Unlawful Governmental Assumptions**

Plaintiff asserts that the **post-1871 federal structure** operates as a corporate entity devoid of lawful constitutional authority. Actions by corporate actors are deemed *ultra vires*, including but not limited to:

- Usurpation of Sovereign Authority.
- Fraudulent Misrepresentation
- Unauthorized Use of Office
- Racketeering Activities
- Trespass upon Private Estate

See **Clearfield Trust Co. v. United States**, 318 U.S. 363 (1943):

*"When the United States enters into commercial business, it abandons its sovereign capacity and is bound by the rules and liabilities of private corporations."*

#### **10. Violation of Executive Order 14219**

Defendants are in violation of **Executive Order 14219**: *"Ensuring Lawful Governance and Implementing the President's Department of Government Efficiency Deregulatory Initiative."*

**Section 3** mandates that:

*"Agencies must lawfully discharge obligations and refrain from actions taken without jurisdiction or authority."*

The foreclosure and collection efforts were carried out without proper jurisdiction, thereby violating this Executive Order and statutory obligations.

#### **11. Judicial Notice of Civil Orders Dated July 4, 2014**

Plaintiff provides notice of **Civil Orders issued July 4, 2014**, addressed to then-President **Barack Obama**, which reaffirm the plenary authority of the organic States and the lawful rights of the people.

These Civil Orders were issued publicly to:

- The U.S. Marshals Service
- The Provost Marshal
- All Domestic Police Forces
- Members of the American Bar Association
- The Joint Chiefs of Staff
- The American Armed Services

The Civil Orders reaffirm:

- The sovereignty of the organic States united under "The United States of America" (major)
- The nullification of fraudulent legal fiction ESTATES
- The restoration of all living men and women to their proper legal and national standing
- Rebuttal and rejection of unlawful commercial peonage and post-1871 corporate governance

#### **Exhibits Incorporated by Reference:**

- **Exhibit H – Civil Orders, July 4, 2014**
  - **Executive Order 14219**
  - **Treaty with Morocco, September 16, 1836**
  - **Allodial American National Card**
  - **Statutes at Large, Vol. XLVIII, pp. 112–113**
  - **Substitute Trustee Deed by P.C.F. Properties in TX, LLC**
  - **Caveat of Interest and Legal Notice dated 24 of June 2025**
  - **Notice of Threat, Duress, and Protest**
  - **Caveat and demand for return of original note Recoupment**
1. Acknowledge the default of Defendants;
  2. Declare the foreclosure proceedings void and unlawful;
  3. Recognize Plaintiff's national and estate rights;
  4. Enter such relief as is just and proper under equity, commercial law, and the Constitution.

**Executed this 30th day of June, 2025.**

All forces of air, land, and sea are to be employed.

Any cost or loss suffered as a result of deployment of ‘The Grand Army of the Republic’ shall be charged as stipulated prior.

All effort shall be made by ‘The Grand Army of the Republic’ to spare life and property while undertaking any action whatsoever within the states of the Union without exception. ‘The Grand Army of the Republic’ (*GAR*) is uniquely enabled by these ‘Orders’ to operate on the land of the fifty (50) organic states for the purposes of securing the lives and property of the American States and American State Citizens. The Grand Army of the Republic is not a foreign army and is composed primarily of American State Citizens.

If required to take field position, the local commanders shall make every effort to communicate the basis of their authority and the reasons for their presence on American

## EXHIBIT H

State soil to ensure a prompt cessation of hostilities and a widespread understanding of the usurpations and acts of fraud which have led to any conflict. All parties must be brought to understand the nature of the federal government, the limitations of its authority, and their own obligation to act in favor of the organic states of the Union. 'The Grand Army of the Republic' shall continue to operate under General Order 100 known as the "Lieber Code", extant from the pen of the last Republic President, Abraham Lincoln.

No orders, Executive or otherwise, issued by Barack H. Obama pretending authority on the land of the American States while operating as "President" of the UNITED STATES Corporation nor as the "President" of the United States of America (*minor*) are owed any performance by the Joint Chiefs of Staff, General Ham, or any Ordinary. All plainly stated grants of contractual authority evident in The Constitution for the united States of America remain in place, subject to good faith performance of the accompanying obligations and treaties.

Mr. Obama is the "President" of a governmental services corporation under contract to provide stipulated services to the organic states and is on their payroll. He otherwise acts as a foreign dignitary representing the United States of America (*minor*). In neither of these capacities is he allowed any granted authority to impose upon American State Citizens, endanger American State property, or command mercenary forces on American State soil, however veiled as federal civilian service agencies. We require the Joint Chiefs of Staff and General Ham to commence measures to disarm federal civilian agency personnel and to seize control of the vast stockpiles of arms which have been improperly amassed by "the Department of Homeland Security", FEMA, and other agencies employed by the UNITED STATES.

The only federal agency allowed free egress on the land of the American States is the U.S. Marshals Service, and then only when their personnel are engaged in their duty to protect the U.S. Mail and sworn to act as constitutional officers. All other federal agency personnel are limited to unarmed service until further notice.

## EXHIBIT H

We direct the Joint Chiefs of Staff to communicate these first two General Civil Orders directly to Mr. Obama, the members of the "US Congress", the administrators of all "federal" agencies, the members of the "Supreme Court" and those acting as "Governors" to compel their rapid understanding and cooperation.

Any expense or damage incurred by these organic states or any American State Citizen as a result of actions undertaken by any federal agency personnel acting as armed mercenaries on American State soil will be understood as the result of violent crimes committed against the peaceful inhabitants of the land and will incur immediate judgment liquidating the assets of the International Monetary Fund (*IMF*) and the Federal Reserve (*FEDERAL RESERVE*) in payment of the stipulated reparations. Such crimes shall also be considered contract default increasing the public debt subject to bounty.

Any and all corporate officers of the UNITED STATES or any successor organization(s) inheriting "federal" service contracts who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest and prosecution for commercial and violent crimes. All foreign officials operating as elected or appointed officials of the United States of America (*minor*) who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest, confiscation of their assets, and deportation to Puerto Rico, Guam, or such other "states" as may be willing to receive them.

Such "foreign officials" include members of the American and British Bar Associations who were licensed to act as privateers against the interests of the American States and the American State Citizens from 1845 to 2013 in flagrant Breach of Trust. All such licenses are now extinguished. Members of the Bar Associations are required to cease and desist assaults against the American States and American State Citizens and shall be subject to arrest, confiscation, and deportation otherwise.

Insomuch as corporate officers operating the United States of America, Incorporated, and the UNITED STATES have contrived under conditions of fraud and semantic deceit to re-

venue the estates of the American States and living American State Citizens to the foreign jurisdiction of the United States of America (*minor*) they are found guilty of capital crimes, including acts of fraud and treason committed between 1933 and 1945, and are condemned posthumously. Inasmuch as elected officials operating the United States of America (*minor*) have similarly committed war crimes against the American States and their peaceful inhabitants during the same time period, they stand condemned posthumously.

No enforcement upon any American State or American State Citizen is owed as a result of any "Act" of any "Congress" operating as the sovereign government of the United States of America (*minor*), nor as the Board of Directors or Board of Trustees of any incorporated entity whatsoever.

All those Estates and ESTATES erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (*minor*) and more recently to the City-State of the United Nations, are re-venued without exception to the geographically defined American States and the American State Citizens where they shall remain in perpetuity as assets belonging to the rightful and lawful beneficiaries.

All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made "in their behalf" by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (*minor*), or the United Nations City State falsely claiming to "represent" them or have jurisdiction over them.

We note that the current circumstance is in part the result of criminal acts engaged in 150 years ago, which resulted in the commercial enslavement of African Americans who were summarily claimed as chattels backing "US government" debt in the wake of the Civil War.

## EXHIBIT H

Despite every act of abolition and declaration of prohibition against both peonage and slavery, it has been the policy of the "US government" to enslave its citizens and to operate as a rogue state among the nations of the world. Instead of freeing African Americans the sum total result of the Civil War was to vastly expand public sector ownership of slaves, giving rise to the outrageous and improper claims that have been made against the American States and the American State Citizens that we are dealing with today. It is uniquely fitting that The Grand Army of the Republic is recalled to settle this circumstance in favor of the people.

EXECUTIVE ORDER  
14219  
- - - - -

ENSURING LAWFUL GOVERNANCE AND IMPLEMENTING THE PRESIDENT'S  
"DEPARTMENT OF GOVERNMENT EFFICIENCY" DEREGULATORY INITIATIVE

By the authority vested in me as President by the  
Constitution and the laws of the United States of America, it is  
hereby ordered:

Section 1. Purpose. It is the policy of my Administration  
to focus the executive branch's limited enforcement resources on  
regulations squarely authorized by constitutional Federal  
statutes, and to commence the deconstruction of the overbearing  
and burdensome administrative state. Ending Federal overreach  
and restoring the constitutional separation of powers is a  
priority of my Administration.

Sec. 2. Rescinding Unlawful Regulations and Regulations  
That Undermine the National Interest. (a) Agency heads shall, in  
coordination with their DOGE Team Leads and the Director of the  
Office of Management and Budget, initiate a process to review  
all regulations subject to their sole or joint jurisdiction for  
consistency with law and Administration policy. Within 60 days  
of the date of this order, agency heads shall, in consultation  
with the Attorney General as appropriate, identify the following  
classes of regulations:

- (i) unconstitutional regulations and regulations that  
raise serious constitutional difficulties, such as  
exceeding the scope of the power vested in the Federal  
Government by the Constitution;
- (ii) regulations that are based on unlawful  
delegations of legislative power;
- (iii) regulations that are based on anything other  
than the best reading of the underlying statutory  
authority or prohibition;

## EXHIBIT H

(iv) regulations that implicate matters of social, political, or economic significance that are not authorized by clear statutory authority;

(v) regulations that impose significant costs upon private parties that are not outweighed by public benefits;

(vi) regulations that harm the national interest by significantly and unjustifiably impeding technological innovation, infrastructure development, disaster response, inflation reduction, research and development, economic development, energy production, land use, and foreign policy objectives; and

(vii) regulations that impose undue burdens on small business and impede private enterprise and entrepreneurship.

(b) In conducting the review required by subsection (a) of this section, agencies shall prioritize review of those rules that satisfy the definition of "significant regulatory action" in Executive Order 12866 of September 30, 1993 (Regulatory Planning and Review), as amended.

(c) Within 60 days of the date of this order, agency heads shall provide to the Administrator of the Office of Information and Regulatory Affairs (OIRA) within the Office of Management and Budget a list of all regulations identified by class as listed in subsection (a) of this section.

(d) The Administrator of OIRA shall consult with agency heads to develop a Unified Regulatory Agenda that seeks to rescind or modify these regulations, as appropriate.

### Sec. 3. Enforcement Discretion to Ensure Lawful Governance.

(a) Subject to their paramount obligation to discharge their legal obligations, protect public safety, and advance the

EXHIBIT H

3

national interest, agencies shall preserve their limited enforcement resources by generally de-prioritizing actions to enforce regulations that are based on anything other than the best reading of a statute and de-prioritizing actions to enforce regulations that go beyond the powers vested in the Federal Government by the Constitution.

(b) Agency heads shall determine whether ongoing enforcement of any regulations identified in their regulatory review is compliant with law and Administration policy. To preserve resources and ensure lawful enforcement, agency heads, in consultation with the Director of the Office of Management and Budget, shall, on a case-by-case basis and as appropriate and consistent with applicable law, then direct the termination of all such enforcement proceedings that do not comply with the Constitution, laws, or Administration policy.

Sec. 4. Promulgation of New Regulations. Agencies shall continue to follow the processes set out in Executive Order 12866 for submitting regulations for review by OIRA. Additionally, agency heads shall consult with their DOGE Team Leads and the Administrator of OIRA on potential new regulations as soon as practicable. In evaluating potential new regulations, agency heads, DOGE Team Leads, and the Administrator of OIRA shall consider, in addition to the factors set out in Executive Order 12866, the factors set out in section 2(a) of this order.

Sec. 5. Implementation. The Director of the Office of Management and Budget shall issue implementation guidance, as appropriate.

Sec. 6. Definitions. (a) "Agency" has the meaning given to it in 44 U.S.C. 3502, except it does not include the Executive Office of the President or its components.

EXHIBIT H

4

(b) "Agency head" shall mean the highest-ranking official of an agency, such as the Secretary, Administrator, Chairman, or Director.

(c) "DOGE Team Lead" shall mean the leader of the DOGE Team at each agency as described in Executive Order 14158 of January 20, 2025 (Establishing and Implementing the President's "Department of Government Efficiency").

(d) "Enforcement action" means all attempts, civil or criminal, by any agency to deprive a private party of life, liberty, or property, or in any way affect a private party's rights or obligations, regardless of the label the agency has historically placed on the action.

(e) "Regulation" shall have the meaning given to "regulatory action" in section 3(e) of Executive Order 12866, and also includes any "guidance document" as defined in Executive Order 13422 of January 18, 2007 (Further Amendment to Executive Order 12866 on Regulatory Planning and Review).

(f) "Senior appointee" means an individual appointed by the President, or performing the functions and duties of an office that requires appointment by the President, or a non-career member of the Senior Executive Service (or equivalent agency system).

Sec. 7. Exemptions. Notwithstanding any other provision in this order, nothing in this order shall apply to:

(a) any action related to a military, national security, homeland security, foreign affairs, or immigration-related function of the United States;

(b) any matter pertaining to the executive branch's management of its employees; or

(c) anything else exempted by the Director of the Office of Management and Budget.

EXHIBIT, H

Sec. 8. Severability. If any provision of this order, or the application of any provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of its provisions to any other persons or circumstances shall not be affected thereby.

Sec. 9. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department, agency, or the head thereof; or
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Mutual agree-  
ment of the  
parties to the  
treaty.

tween Ameri-  
cans, &c. to be  
decided by the  
consul, &c.

GENERAL CONVENTION OF PEACE, FRIENDSHIP,  
COMMERCE, AND NAVIGATION.

*Between the United States of America and the Peru-Bolivian Confederation.*

Nov. 13, 1836.

Ratifications exchanged, May 28, 1839. Proclamation of the President of the U. S. Oct. 9, 1838. Peace and friendship.

The United States of America and the Peru-Bolivian Confederation, desiring to make firm and permanent the peace and friendship which happily subsist between them, have resolved to fix, in a clear, distinct, and positive manner, the rules which shall, in future, be religiously observed between the one and the other, by means of a treaty, or general convention of peace, friendship, commerce, and navigation.

For this desirable purpose, the President of the United States of America has conferred full powers on Samuel Larned, *Chargé d'Affaires* of the said States, near the Government of Peru; and the Supreme Protector of the north and south Peruvian States, President of the Republic of Bolivia, entrusted with the direction of the foreign relations of the Peru-Bolivian Confederation, has conferred like powers on John García del Río, Minister of State in the Department of Finance

Negotiators.

## 460 CITIZENSHIP OF THE UNITED STATES, EXPATRIATION, ETC.

There are, however, numerous treaties and conventions between the various Christian countries and the Moorish Empire, by means of which citizenship in this country is defined; but, as I understand, from the above-acknowledged instructions, that it is not the desire of the Department to call for a report upon such lines, I will therefore confine these remarks to general conditions existing, which may possibly be of some use in connection with the information desired.

(1) Citizenship in Morocco may be said to be governed by the laws pertaining to the same in other countries, with the exception that all persons residing in Morocco who can not prove foreign citizenship or protection are considered *ipso jure* as Moorish subjects.

(2 and 3) Moorish subjects lost their nationality only by becoming naturalized in, or protected by, another country having treaty relations with the Moorish Empire.

It was established by the Convention of Madrid, concluded July 3, 1880, as follows:

## ARTICLE XV.

Any subject of Morocco who has been naturalized in a foreign country, and who shall return to Morocco, shall, after having remained for a length of time equal to that which shall have been regularly necessary for him to obtain such naturalization, choose between entire submission to the laws of the Empire and the obligation to quit Morocco, unless it shall be proved that his naturalization in a foreign country was obtained with the consent of the Government of Morocco.

Foreign naturalization heretofore acquired by subjects of Morocco according to the rules established by the laws of each country, shall be continued to him as regards all its effects without any restriction.

The above ruling has never yet been acted upon, and should this at any time be contemplated seriously, a large number of naturalized people, American and others, residing in Morocco, would be affected thereby.

(4 and 5) Residence in foreign parts does not affect the nationality of Moorish subjects, and the Moorish Government has no means of protecting its subjects permanently residing in other countries, with the exception of a so-called Moorish consul at Gibraltar and a Moorish agent at Cairo, Egypt.

I am, etc.,
